## GARDEN CITY BALLET GIVES BACK TO LOCAL DANCERS

Since 2001, GCB has awarded more than \$40,000 in scholarship money to local dance students attending summer dance workshops across the country.

*“Thank you so much for the scholarship for my summer internship at Broadway Dance Center! You have no idea the financial burden it lifted off my family. I have loved being a part of Garden City Ballet shows. Each one has taught me so much and given me memories that will last forever.”*
