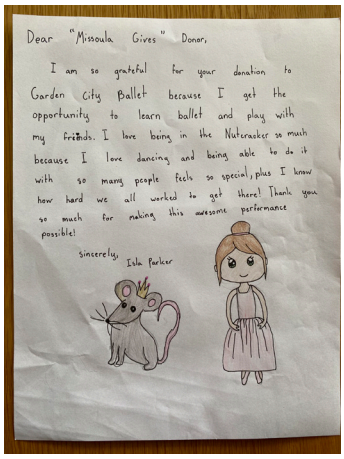
Our GCB Dancers Thank Our Donors!



Dear "Missoula Gives" Donor,

I am so grateful for your donation to Garden City Ballet because I get the opportunity to learn ballet and play with my friends. I love being in the Nutcracker so much because I love dancing and being able to do it with so many people feels so special, plus I know how hard we all worked to get there! Thank you so much for making this awesome performance possible!

Sincerely,
Isla Parker

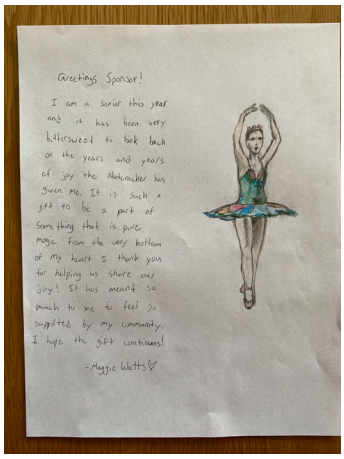
Dear missoula Gives Donor,

I am so grateful for your donation to GCB because it makes it possible for me and my friends to dance in the Nutcracker. Last year was my first year and I couldn't wait to dance in it again this year! Being part of the Nutcracker was a dream of mine. I had seen it many times and knew that I wanted to be part of the show. It was better than I could have imagined - I always knew where I was supposed to be thanks to all the GCB staff and volunteers. I love the costumes, the excitement, and friendships I made. When I stepped onto the stage I felt like I could do anything - It was so magical. I love when the crowd applauds because it makes me feel proud of the work I've done. I really love all the teachers that helped me learn and grow last year, and I am so excited for my audition this year. These teachers can't do what they do without donors like you! The Nutcracker is such a wonderful way to share ballet with Missoula and I am so happy to part of it!

Sincerely, Berkley Gill



Greetings Sponsor!

I am a senior this year and it has been very bittersweet to look back on the years and years of joy the Nutcracker has given me. It is such a gift to be a part of something that is pure magic. From the very bottom of my heart I thank you for helping us share our joy! It has meant so much to me to feel so supported by my community. I hope the gift continues!

Dear Missoula Gives Donor,

Being a part of the Nutcracker production means a lot to me because every single time I do it is something different. The roles, The Dances, The Backstage experiences are all different each and every time but it's all the same amount of fun. I love performing for the school kids, hearing them be so entertained by every little thing we do makes me so happy. I love entertaining people and giving them the best experience I can. I love being on stage and playing all of these fun parts, showing a different story each time.

And your donation to Garden City Ballet means a lot to me because it makes all of these experiences possible. Thank you. ☺

Sincerely
Dana M.

Dear "Missoula Gives" Donor,

I am deeply appreciative of your donation to Garden City Ballet, allowing dozens of dancers throughout the Missoula community and beyond to dance in the Nutcracker each year. Every Nutcracker season is a new and exciting adventure where we grow both as dancers and people, bringing joy to the audiences who come to watch us perform, and hopefully inspiring a future generation of dancers. As we create lasting friendships and a show we can be proud of, we make memories we will never forget as we experience the joy of sharing our love for dance with our community — an experience that wouldn't be possible without support from donors like you. Thank you once again for supporting the arts, which benefit both performers and audiences alike, bringing joy to our Missoula Community.

Sincerely,
Ellette W.

Dear "Missoula Gives" Donor,

I am deeply grateful for you and your generous decision to donate to Garden city ballet. Because of amazing people like you I am able to perform. Nutcracker has become a yearly tradition for me and my family. That feeling of being on a stage filled with such passionate people all in gorgeous costumes is undescribable. I have been performing in the nutcracker since first grade and I am now a sophmore. I have met some of the most incredible people through nutcracker, friends who I have the blessing of seeing every year. My gratitude towards you is tremendous.

Sincerely, Kayla
