

## 2024 Nutcracker Season

Dear Friend of Garden City Ballet,

This year marks our 40th anniversary — and, we have been reflecting on the incredible journey... from humble beginnings to becoming a cherished cultural institution in Missoula. It's been a remarkable endeavor filled with passion, dedication, and community spirit.

Our success as a nonprofit organization wouldn't be possible without the support of so many local businesses — your collective commitment to the arts enriches the lives of countless individuals and families, providing an opportunity to experience the beauty and wonder of ballet.

As GCB continues to inspire, educate, and entertain through dance, we kindly invite you to consider making your first donation or continuing your past support. Annual donations make it possible for us to continue offering our signature ***free school show for 500 (K-5) students!***

This year, we have a new option for giving and would be honored to welcome you as a ***sustaining donor*** — please consider becoming an inaugural member of *Clara's Royal Court*. Sustaining donors pledge a recurring annual contribution in any amount of their choice, which hopefully makes budgeting easier from year to year. (Donors may adjust their giving by increasing, decreasing, or canceling at any time.)

Please find additional information about our 2024 sponsorship opportunities. We have tailored packages designed to suit various levels of support, ensuring that your contribution aligns with your philanthropic goals and advertising objectives.

Community support is vital to our efforts to promote artistic excellence and foster cultural enrichment for generations to come.

If you have any questions, please don't hesitate to reach out — we would love the opportunity to connect and explore creative ways to partner for the greater good of our community.

Thank you once again for your consideration. Together we make a meaningful difference through the power of dance and the arts.

See you at the ballet!
