

2026 Nutcracker Season

Dear Friend of Garden City Ballet,

Serving as GCB's Board President this past year has been an absolute privilege, and I remain honored to support this valued arts organization in Missoula. As we enter our 42nd production season, I want to express my deepest gratitude for your thoughtful consideration.

With continued budget cuts that limit access to arts in public schools, our mission remains clear — *to preserve Missoula's Nutcracker for our children and community* — and our work is only possible through the generosity of many individuals, foundations, and local businesses.

As a nonprofit organization, we rely on community-minded donors to:

- **Inspire Young Minds.** We offer a free school show for 500 (K-5th) students each year.
- **Expand Dancer Education.** We have proudly awarded over \$50,000 in scholarships.
- **Elevate the Production.** We inspire audiences with exceptional staging and costuming.

Whether you're a long-time patron or first-time donor, every contribution is meaningful.

Enclosed you will find 2026 sponsorship information — with tailored packages to ensure that your contribution aligns with your philanthropic goals and advertising objectives.

Thank you for considering a donation this season! A member of our Fundraising committee will touch base to answer any questions.

With heartfelt gratitude,

Molly Boyle
GCB Board President
